CNS Vital Signs Computer Requirements & Clinic Solutions:

CNS VS4 assessment platform technologies are designed to operate/run on any standard laptop and desktop. <u>No special hardware is required.</u>

Minimum Computer Configuration:

Windows 7 or greater operating system or Mac OS 10.6.8 or higher

CNS Vital Signs Local Software Applications require:

- **Windows:** Windows 7 or greater operating system. It also requires that the DirectX 'OK' button be selected during the VS4 install. A VS4 Windows install uses about 70MB of disk space. Runs on a 32bit (x86) or 64bit (x64) processor.
- **Apple Mac:** VS4 will run on Mac OS 10.6.8 or higher and using an Intel processor. A VS4 Mac install uses about 50MB of disk space. When you install the Mac version you will be prompted for the Administrator password.

Important: CNS Vital Signs assessment platforms are fully functional when test sessions remain on the counter displayed in the CNS Vital Signs applications initial window. Downloading software upgrades and purchasing additional assessment sessions can be performed by visiting www.CNSVS.com

CNSVS Online: CNSVS Online www.CNSVSONLINE.com runs on a browser such as Internet Explorer (IE 6 or higher), Chrome, Firefox, Safari, etc. on virtually any computer system connected to the internet. CNSVS Online works best when the clinic has an high speed, persistent internet connection.

Rating Scales can be administered and reports viewed on browser enabled Tablets using CNSVS Online.

CNS VS Tools iPad App: The CNS Vital Signs clinical and quality rating instruments can be administered by the CNS VS Tools iPad App. To learn more or to download and install the free app go to https://www.cnsvs.com/CNSVSTools.html.

Neurocognitive testing requires clinics to provide a quiet uninterrupted location e.g., exam rooms, small dedicated testing cubicles or rooms, empty sleep lab rooms, etc.

At customer requests we now offer clients several helpful testing tools.

CNS Vital Signs Testing Solutions:

Clinicians and Practice Administrators can access several tools to assist in the assessment administration.

1. A custom keyboard to support test administration
2. A mobile cart (can be rolled to empty exam rooms) to assist the process of testing

These solutions can be purchased from your account 'Shopping Cart' or by calling support 888.750.6941.
