Neurocognitive Assessments
Neurocognitive Assessments or Test Sessions for the Windows or Mac OS X version of CNSVS applications. When purchasing assessment for the local application the Serial Number and Request Code are required. When purchasing CNSVS Online (web-based) assessments, purchased assessments are applied directly to your online account.

The '**Serial Number**' and '**Request Code**' will auto-transfer from the CNS VS app. If the codes do not appear, close the Purchase screen (Step 3) and go back to CNS VS (Step 2), click Purchase (Step 3) and Log-in (Step 4) again.
